

Community Quilt Block

12 1/2" x 12 1/2" unfinished

Pieced Heart

4 Medium to Dark red prints- novelty heart fabric would be good but any red fabric works: cut 1 piece 6-1/2" by 12-1/2", 2 strips 2" by 12 1/2" and 2 rectangles 3 1/2"x6 1/2".
Light background: cut 2 squares 6-1/2", 4 squares 3 1/2".

Sewing directions: Use 1/4" seam allowance throughout construction. Mark diagonal line corner to corner on the light background 3 7/8" squares and the 6-1/2" squares. Make the two flying geese units for top of heart by placing a white square on one end of a red rectangle, right sides together and stitch on diagonal line. Flip the corner up to check your stitching. If it is correct, trim leaving $\frac{1}{4}$ " seam allowance and

press towards the outside. Repeat on opposite end of triangle to complete the flying goose block. Join the two flying geese units together. Place one light 6 1/2" square on one side of the large red rectangle right sides together and stitch on diagonal line. Repeat on the opposite end of the triangle making a large flying goose block. Sew the two 2" strips to the top of the large flying goose unit and sew the top flying goose section to that unit completing your block using diagram for placement.

Turn in your block to Community Quilt table-at the next guild meeting.
