

Donation Quilt for Helen and Jack

We drew for the quilt December 1ST that The Appliqué' Society and As The Needle Turns Group made to benefit Jack's Medical Expenses. There were approximately 5000 tickets sold. Natalie had the winning ticket which was purchased at The Quilt Sampler. She was so excited about winning she left the Mall and came to pick it up at the Bank.

Was a wonderful luncheon and heart warming, little did Helen know she had so many friends.
